

The Mother on Money & Yoga

**True wealth is that
which one offers
to the Divine.**

- The Mother
(CWM, 15: 49)

**. . . truly money has no value unless it circulates.
For each and every one, money is valuable only
when one has spent it.**

~ The Mother, CWM, 7: 54

**Money is meant
to circulate.**

– The Mother
(*Agenda*, 1: 204)

Money is not meant to generate money;

money should generate an increase in
production, an improvement in the
conditions of life and a progress in
human consciousness.

This is its true use.

– The Mother
(*Agenda*, 1: 204)

. . . each one must find in his highest consciousness what the best possible use of the money he has can be.

~ The Mother, CWM, 7: 54

Integral Wealth of Mahalakshmi
*Wealth in all domains and all activities, intellectual,
psychological, material, in feeling and action.*

The conditions in which men live on earth are the result of their state of consciousness. To seek to change these conditions without changing the consciousness is a vain chimera.

The Mother, CWM, 12: 39

... he (*Sri Aurobindo*) told me ... that for the secure achievement of the Work we would need three powers: one was the power over health, the second was the power over government, and **the third was the power over money.**

– The Mother
(*Agenda*, 1: 176)

Unless one has mastered these three
things, desire for power, desire for
money and desire for sex, one
cannot truly possess
any of them firmly and surely.

- The Mother (CWM, 4: 380)

The power of money is at present under the influence or in the hands of the forces and beings of the vital world. It is because of this influence that you never see money going in any considerable amount to the cause of Truth. Always it goes astray, because it is in the clutch of the hostile forces and is one of the principal means by which they keep their grip upon the earth.

The Mother, CWM, 3: 45

What gives so great an importance to
money in the world as it is today is not
so much money itself, ...

**generally money is desired and
acquired for the satisfactions it brings.**

– The Mother
(CWM, 4: 380–381)

**Money belongs to the
one who spends it;**
that is an absolute law. You may
pile up money, but it doesn't
belong to you until you spend it.

– The Mother
(*Agenda*, 1: 204)

**Let money come and
go in abundance for
good works.**

- The Mother
(CWM, 15: 50)
